President conversation Notes:

Return to Campus:

Pending any changes to the COVID numbers-

District will be having deep discussions about return to campus

District has to align with OSHA guidelines

Told managers to be prepared to come back around 6/15

Start recommending to people that they start the conversations about care for their dependents.

Unions will be having discussions

Will not force anyone to come back in the fall. But expectation will be that people return to campus.

Concession was to work at home, but everyone was hired to be on campus.

Spring- everyone will be back on campus.

Increasing presence on campus. - LRC
