- ▶ ELL Transition to Academic English

Other Noncredit Programs

- ▶ Automotive Technology
- ▶ Digital Literacy
- ▶ Security Guard
- ▶ Senior Healthcare Technician
- ▶ Adult Dual Enrollment
- ▶ GED/High School Equivalency

Credit Programs

English as a Second Language (ESL) Mission Statement

The English as a Second Language program is committed to providing English learners with a focused educational path that hones their academic English skills. Our program places a strong emphasis on developing students' abilities to communicate effectively in academic contexts, both in speech and writing, while also addressing their unique academic needs. Through our program, students will acquire the academic knowledge and linguistic proficiency necessary to pursue higher education, excel in academic settings, and advance their career prospects.
